

**REMARKS**

Applicants elect to prosecute the claims of Group I, with traverse, and the species disclosed in claim 49, identified as compound 7 in the application, to satisfy the species election requirement with traverse.

Claims 42-49 are believed to read on the elected species.

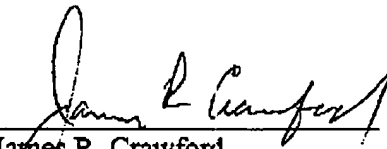

Applicants respectfully submit that it would not be an undue burden on the Examiner to search methods of making and using the claimed product in a single search. At a minimum, examination of the claims of Groups I, II or III, IV and VI is respectfully requested.

Additionally, it is not believed that it would be an undue burden for the Examiner to search additional species falling within the scope of the elected claims together with the elected species.

The Commissioner is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 50-0624, under Order No. NY-HUBR 1253-US.

Respectfully submitted
